I certify that I have received the entrance assessment counseling for the TEACH grant program. I understand that I must plan to TEACH full time in a high-need field in a low-income Title I elementary or secondary school, and I must plan to teach as a highly qualified teacher for four years within the eight years immediately following completion of the degree. **IMPORTANT:** If the recipient of a TEACH Grant does not fulfill the requirements of the Agreement to Serve, the amount of the entire TEACH Grant converts into a Federal Direct Unsubsidized Loan, with interest retroactive to the date the grant was disbursed.
